HELLO

Or so I thought.

Nothing's come of it and it sometimes gets tedious, but a common task like this suits a common person like me

I always take the same road and it takes the same amount of time.

LIKE HELL I WILL. STOP BRINGING GARBAGE TO MY HOUSE

The guy next to him is King, a transfer student
Due to some circumstances, he's come to Japan. There are a lot of rumors going around about him

Muahaha
He sometimes thinks he's the reincarnation of a demon.
And because of it, he's super twisted.
